

1st/2nd class

Hi everyone, I hope you are all safe and well. Be sure to send me pictures of your work if you choose to do any of the below activities. Don't forget to enjoy the sunshine ☺

English

- Continue to read your reader and read a variety of books as often as you can.
- 1st Class Skills Book p79-82
- 2nd Class Skills Book p 81-85
- New Wave English workbook - complete day by day or if you are on the revision pages you can complete one page a week.
- David Attenborough reading comprehension activity - see attached. It is a differentiated reading comprehension (there are 3 versions to choose from) therefore I suggest 1st class can read the first or second version.
2nd class should aim to read the 2nd or 3rd version of this reading activity.

Gaeilge

- Am don Léamh 2 p 6-9 (available on the FolensOnline website)

Or you can choose to continue with your Abair Liom book if you now have it 'Ag Ceannach Sú' p112-117

(There are resources available on the folens website so you can complete some of the listening activities as well as some fun games/cluichí. If you search for 'Abair Liom C' click on the resources tab on the left hand side of the page. You will then be able to narrow your search by choosing lesson 23 'Ag Ceannach Sú'. You should then see all the resources available for this particular lesson.)

If you're having any difficulties with this let me know.

Maths

- Continue to practice and revise addition and subtraction tables.

Time -

1st Class

- Operation Maths book p. 101-104

2nd Class

- Operation Maths book p. 73-75

SESE

If you now have your 'Explore with me' book we will continue working with this book. Before you begin each lesson there are generally video links or pictures available to watch to give a brief overview of the lesson. For example,

You will need to log in to edcolearning.ie/login

Username: primaryedcobooks

Password: edco2020

Search: Explore with me 2 2019

Choose chapter 8: Space

Before you begin the Science lesson on p. 65 of your book it is advisable to first watch the video that is available by clicking on the video link on the top left hand side. There are also video links available for the history and geography lesson.

Science: Explore with me 2 p65

History: Explore with me 2 p. 66

Geography: Explore with me 2 p. 67

PE/SPHE
