

1st/2nd class

Hi everyone, I hope you are all safe and well. Be sure to send me pictures of your work if you choose to do any of the below activities.

English

- Continue to read your reader and read a variety of books as often as you can.
- 1st Class Skills Book p87-90
- 2nd Class Skills Book p 91-94
- New Wave English workbook - complete day by day or if you are on the revision pages you can complete one page a week.
- Free Writing - Write about anything of your choice. Don't worry about spellings. It's an opportunity to use your imagination and write about anything you like.

Here are some ideas:

- ❖ Write about the best holiday you ever had. What was special about it?
- ❖ Write a story about your favourite place in the world. Why is it special?
- ❖ What is the best present you ever received? Why?
- ❖ List 5 things that make you happy.
- ❖ If you could meet a famous person, past or present, who would it be and why?
- ❖ If you could have 3 wishes what would they be?
- ❖ Imagine you have a superpower, what would it be and why?

Gaeilge

Am don Léamh 2 p 14-16 (available on the FolensOnline website)

or

Abair Liom 'Ag Pacáil' p124-129

(There are resources available on the folens website so you can complete some of the listening activities as well as some fun games/cluichí. If you search for 'Abair Liom C' click on the resources tab on the left hand side of the page. You will then be able to narrow your search by choosing lesson 25 'Ag Pacáil'. You should then see all the resources available for this particular lesson.)

If you're having any difficulties with this let me know.

Maths

- Continue to practice and revise addition and subtraction tables.

1st Class

Money

- Operation Maths book p. 116-119

2nd Class

Ensure look at the sign before you begin. Remember always start with the units first.

- Operation Maths book p. 107, 114, 120, 121

SESE

If you now have your 'Explore with me' book we will continue working with this book. Before you begin each lesson there are generally video links or pictures available to watch to give a brief overview of the lesson. For example,

You will need to log in to edcolearning.ie/login

Username: primaryedcobooks

Password: edco2020

Search: Explore with me 2 2019

Choose chapter 10 : Summer

Before you begin it is advisable to first watch the video that is available by clicking on the video link on the top left hand side.

Investigating Soil: Explore with me 2 p85

The Honey Bee: Explore with me 2 p. 86

Postcards from the Past: Explore with me 2 p. 87

PE/SPHE

- PE with Joe https://www.youtube.com/watch?v=ybn_SO990go

Art

Art for kids hub <https://www.youtube.com/user/ArtforKidsHub> have a variety of art lessons available on their YouTube channel.

STEM: Rainbow Paper

You will need:

- Black Paper/ Card (or try other colours)
- Clear nail polish
- Bowl
- Water

Instructions

1. Cut your black paper or card into a small rectangle. Start small until you get the hang of it then you can experiment with bigger pieces!
2. Fill a bowl with water.
3. Drop 1 drop of clear nail polish on top of the water.
4. Quickly dip piece of black paper into the water and pull it out again.
5. Leave it a few minutes to dry.

Did you know?

When you dip the paper into the water, it gets coated with a thin layer (or film) of nail polish. The rainbow colours you see are caused by *thin-film interference*. Normal 'white' light is actually made up of lots of different colours. When light hits the film of nail polish, the individual colours disperse, and the reflected waves interfere with each other to create the beautiful colours.

This is the same as when you can see a rainbow in spilt oil on tarmac!
