

Work for 5th and 6th class week ending 22nd May

This is a list of work that you can pick and choose from. There is no pressure on anyone to get everything completed.

Maths

5 th class	6 th class
Folensonline.ie Planet Maths 5 Percentages: p 122 & 123 When increasing and decreasing, change percentage to fraction, get fraction of amount and then add or take away.	Folensonline.ie Lets look back...p110 & 111 When finding the whole amount, divide by the top and multiply by the bottom

English: 5th and 6th Class

Go to folensonline.ie and get *Literacy Leap6 When Making Explosions p26-31*

The genre of focus here is on a procedural

P31 finishes with a creative writing piece where you imagine you live in a town close to an erupting volcano. When writing about what its like living here, describe the sounds, smells, sights and emotions you experience in this environment

You can then send an image of this writing or as a word document if you have access to a computer to joandonnelly09@gmail.com

Irish: 5th and 6th Class

Go to folensonline.ie and open Am don léamh 5.....Complete P40- 45

Practice reading out load.

Geography

Research the extreme events that are volcanos, tornados, hurricanes and earthquakes and define each one.

Write about an active volcano that is located in Europe and also extinct volcanoes located in Ireland

Science:

Follow this procedure to create your own volcano. If you decide to try this, set it up outside as it may be messy!!!

Well done to you all. I have received some great work. Keep it up
