

Dear Parents,

I hope this letter continues to find you and your families well.

After the Government announcement on Friday last we now know that we cannot return to school until September. We the staff are disappointed but accept that the health of everyone must be the priority at this time.

In line with the roadmap outlined by the government, we are permitted to access the school again after May 18<sup>th</sup> and hope at that point to be in a position to return books to children while adhering to social distancing guidelines.

In the meantime, work will be uploaded weekly to the website for you to complete if it is possible for you.

Take care

Joan and staff
