

21/4/2020

Dear Parents,

I hope this letter finds you well and that you all had an enjoyable and peaceful Easter. It was certainly a relief to find that the Easter Bunny was permitted to travel as per normal. As this period *of uncertainty continues the focus must still remain on the safety of all of our children and families.*

We will continue to provide work on a weekly basis for the children and I would encourage all of you to communicate with your child's teacher and forward some of your child's work. We are anxious to know who has access to broadband and devices and for whom access the work to date has proved challenging before we consider more online platforms.

I have had no official correspondence in relation to sacraments. I have spoken to Fr. Pepper and it is assumed that ceremonies will be postponed until a time that it is safe to proceed with them.

Please note that the work provided by your teachers is a Menu and should be treated as such. We realise that it may not be possible to complete any or all of this work and that is ok. Do what you are able to do and do not allow this work to cause stress in your homes.

*Please note the change in Ms Lynam's email address for any of who may be trying to contact her.*

Take care of yourselves

Joan and all of the staff
